August 2011

Hello Everyone!

For those of you who were unable to attend the club's picnic at the Conklin's, you really missed a great club gathering! The weather was great and the food, as always, was the best on the mountain, and plenty of it! I would like to thank Ellen and Shed for providing us with such a nice setting for the picnic.

From what I understand the Old Miners Parade was considered a great success. The Old Miners were greatly appreciative for all the help that our club provided to them. As usual the greatest car club in the valley always shines!!

This is the month we have all been waiting for. Yes, that's right, it is FUN RUN time again on August 12, 13 & 14!! Those are very important dates. I hope everyone kept those dates open so they can participate in the greatest party ever, and get the biggest satisfaction ever! It looks like everyone is ready and the stage is set. I hope you have returned your assignment slip; if not just show up and we'll find something for you to do!

I am keeping this short so there will be room for pictures of the picnic and parade, and to conserve everyone's energy—we'll all need it at the FUN RUN!!

Check that dip stick,

Dan

REUNION'S performance is getting rave reviews!

Thanks again to Ellen and Shed Conklin for providing the most perfect setting for our beach picnic. It was a beautiful warm day, the food was delicious and everyone seemed to have a blast. Carole was the lucky 50-50 winner! (She did buy the U-joint for the NASH.) Enjoy more beach pictures....

We had quite a turnout for the Old Miners Parade. We staged at B's Backyard Bar-B-Que., it was a little confusing, but we all had a place in the end! The parade got many good comments, so it's sure to be back in the future. Here's some pictures!

No parade would be complete without The United States Marines. Big Bear was honored this year to have the 1st Marine Division Band from Camp Pendleton Marine Corps Base, California. As always, the Marines were sharp, in step and in tune. We were proud to be in the parade with them.

Thank You Marines!
