Hello Everyone!

Well, it seems like things that are fun and important always take a long time to arrive and then it's here and BANG!!, it's done and gone. That is the Fun Run of course!! I think everyone had a great time, and the participation of our club members was outstanding. I believe everyone should be very proud of the event and the hard work you all did, and I would like to thank you all for a great job, well done! For those of you who were not able to talk to any of the participants in our show, I can't tell you how much everyone was impressed and thankful that we sponsor the Fun Run every year. The cruise around the lake was also great with the tow truck leading a parade of about 400 cars to receive the commemorative mug!

The awards ceremony on Sunday was as good as it gets. Susan and Kurt Mayo entertained the guests while everything was being setup, and naturally our MC, Cliff Fowler, pulling a few rabbits out of the hat to keep the show moving along. Ellen Conklin presented all the winners with a lovely rose along with their trophy.

We did have a few problems on Saturday but, as usual, Roger and Russ and our great Fun Run staff handled them without further incidents! All the concession stands had a great turnout; in fact, the food concession sold out on Saturday. Must have been GOOD!!

We will be going over the problems and benefits of the Fun Run at our next board meeting, in hopes to even further improve the event.

As a reminder, we are planning to make the car show at Green Valley Lake a club event for the month of September. Those of you that can attend, please put it on your calendar for September 10th. Everyone will meet at IHOP at 7:30 on Saturday and caravan down to Green Valley Lake. Hope to see all of you there!

Check that dip stick!

Member Presentations at the General Meeting in August

A plaque for Terry and his son Derek for the work on the maps for Fun Run.

Russ and Sue Greek received member of the month for all they to do for the club.

Bud Nelson received an award for his work on the Fun Run.

Tour de Big Bear, at Aid Station #5, was fun and very much appreciated by all the bikers that rode their bikes through our mister. The weather was great, the cars were beautiful, and all seemed to enjoy the friendly people working the aid station. We've already been invited back for next year's event! Check out the happy faces below! Top left is the first rider through Aid Station #5

Dan already said everything about Fun Run that I would have said, so - check out a few pictures!

Kurt and Susan Mayo, with a few members of WHITEWATER, entertained the crowd on Sunday morning, while waiting for the Fun Run Awards to begin.

WHITEWATER is a local Big Bear band, and they were happy to jam at Fun Run for four hours on Saturday!
