January 2011

From Dan's Garage

Here we go, another year and nothing has changed, it is still snowing! I hope everyone had a Happy Holiday Season and is ready for a real exciting New Year. I understand that Pearl Richey is snowed in and isolated in Running Springs. But would like to thank her for a wonderful Christmas Party, can't forget Mrs. Clause (Lynn) assisting Santa Clause. As usual The Mayo's did a fantastic job with the entertainment. As I have said before and will continue to say that it is really gratifying to our club to get together and have such a good time!

With The New Year and a new board, at least a few new members, we will have some tall expectations to live up to. We will be discussing a Valentine Dinner at our first board meeting and I'm sure Pearl will have something planned. We have an exciting year ahead of us with lots of fun, would like to see all of those who can participate in more events. Don't forget the first show of the year is the Dr. George show in Palm Springs, great show and warm weather.

Check that Dipstick,

Dan
