It was a very busy weekend in Big Bear Valley

Memorial Day Weekend found Big Bear Valley filled with folks. One of the more popular events was the annual classic car show at Redlands Federal Bank and Summit Plaza, photos above and at left.

The Classics...

The Big Bear Lake Antique Car Club will hold its annual Memorial Day Car Show from 10 a.m. to 4 p.m. on Saturday, May 28, and from 10 a.m. to 3 p.m. on Sunday, May 29, at Redlands Federal Bank at Summit Plaza. This is the eighth year the car show has been at this location; club members will display their vehicles and the public will vote on their favorite. There is no admission charge; the show is held for the enjoyment of the community and visitors to the Valley.

KIDS GET GIFT

Instructor Dave Horsey (left) and students Dewayne Chow, Allison Crockett, Kyle Smith and Shon Hicks (back) from Big Bear High School's auto shop program accepted a donation of four Briggs & Stratton training engines from Stan Wiens (right), outgoing president of the Big Bear Lake Antique Car Club, on Jan. 9. The donation came from funds raised by the car club's annual Fun Run held last August in the Village. The value of tools and equipment donated to the program this year by the car club is approximately \$10,000.

Big Bear Lake Antique Car Club:

At the Big Bear Lake Antique Car Club's first general meeting of of the year, a presentation of four Briggs & Stratton training engines was made by Stan Wiens, outgoing president, to Big Bear High School.

Accepting the donations were, from left, auto shop instructor Dave Horsey, and students, Dewayne Chow, Shon Hicks, Allison Crockett, Kyle Smith and Stan Wiens.

The proceeds were raised by the Antique Auto Club from the annual Fun Run held each August in the Village. It is the club's way of giving back to the community and helping aspiring mechanics.

The donation this year brings the total of the club's donations to approximately \$10,000, in the form of tools and equipment to help the auto shop program.
