

Classic Cars Invade Village

This convertible Pontiac Bonneville was among the cars in the Big Bear Lake Antique Car Club's entry in the Old Miners Days Parade which took place last Sunday. This weekend, the 1996 Big Bear Fun Run, sponsored by the Antique Car Club, will present awards in 33 classes at its seventh annual collector car show. This Friday, Saturday and Sunday, the Village streets will be filled to capacity as vintage motorcars converge for the show. The autos and their owners will be arriving here from throughout the Western states and will include street rods, classics, antiques, custom and sports cars. There is no charge for the public to enjoy any of the event's attractions other than the cost of food and drinks. Friday's fun begins with a tailgate barbecue in the Bartlett Road parking lot from 5:30 to 8 p.m. On Saturday, following registration at the Blue Whale Lakeside Restaurant, participants will show off their prize vehicles in the Village area, with giveaways happening on the hour and half hour. At 4 p.m. the cars will line up for a cruise around the lake before returning to Bartlett Road for a street dance from 7:30 to 11 p.m. Flashback will provide musical entertainment. On Sunday, following the Kiwanis breakfast, the winning cars will line up between 8 and 9 a.m., when the awards ceremony will begin.
