

LOCAL'S NITE IN THE VILLAGE

Nottingham's Restaurant played host to the September 3rd "Local's Nite" in the village. About twenty club members brought their cars for display. Charlie Brewster (club member and owner of Nottingham's) set up a "beer garden" for the attendees to spend time chatting

with one another.

Those who were there were Cliff and Lynn Fowler, Bob and Mary Funk, Roger and Barbara Nadow, Dan and Ginger Percifull, John and Carole Renner, Russ and Sue Greek, Cal Roe, Larry Thompson. Bud Nelson, Herb Potter, Ken Carlson, Bob Jahn, H.K. Wilder, Stan O'Dell, Stan Blood, Carl Hammers, Harry DuPre, Evan Carroll (our webmaster) and hosts Charlie and Evelyn Brewster and family. Hamburgers, beer and soft drinks were available and a pleasant dinner was enjoyed by many.

The judging of the hosts favorite automobile was turned over to Charlie's twin grand-daughters who could not agree on a single winner. They were divided between Cliff Fowler's T-Bucket and Stan O'Dell's 1953 Chevrolet Convertible.

The final decision was tossed back to Charlie, who awarded the trophy to Stan O'Dell, shown here with the trophy. Runner-up Cliff Fowler was given the beer that also appears in the photograph. Cliff spent the rest of the evening drinking his runner-up prize.
