August 2009

FROM THE DRIVERS SEAT

As we're half way thru our Car season, where has the time gone? As July showed, we certainly have been one busy bunch.

Now that August is upon us, this is our month to shine as our claim to fame, Fun Run is almost here. This event as most of you know finishes what dozens of club members have devoted the last 6 months of their lives to pull off. Fun Run has been blessed with huge support from clubbers as Bud Nelson's work orders show and the event would not be Southern California's Premier Venue with out all of your blood, sweat and tears. Thank you all.

We're starting the month with the Old Miners Parade and lunch after over at the Greeks. We'll line up on the North side of Summit Blvd. from 11 to 11:30. We will also be carrying the Miss Big Bears in our cars. Then August 4th is National Night Out sponsored by the Sheriffs Department from 4 to 7 pm at the Convention Center. We're canceling 1st Fridays in Fawnskin this month as that Friday is the first day of Fun Run. Following Fun Run is our General Meeting where we will simply let our "hair down" and we WON'T critique the event until the Board Meeting on the 17th. The Green Valley Lake show is the 15th and the "Tehapachi Centennial Thunder on the Mountain" is the 16th. Charlie Brewster needs us all to know that the Annual Wooden Boat Show over at B's Backyard Bar B Que is Saturday, August 22nd from 9 or 9:30 on. We need at least a dozen or so cars for this gig. Finally Air Faire is Saturday the 29th, again a very, very full month.

We're again getting involved in the Run the Bear Marathon and we'll have our Aid Station on Sandalwood Drive (the complete route has changed this year) where we can display lots of Eye Candy. I'm trying to convince them that the BBLACC has a "patent" on the "Car Wash" theme so we can again be their favorite stop along the Marathon course. More on this later after I go to the next meeting.

Well I guess that's enough for now.

KEEP THAT TANK FULL!

Cliff

Over their Anniversary, Cliff and Lynn Fowler took a short vacation to Solvang. The trip was a gift given to Lynn by ALL the gals in the BBLACC and spearheaded by Pat Miller. It was for all her hard work and losing her life with the husband prez. They stayed at the Wine Country Inn and Cottages which was absolutely gorgeous. While in Solvang, the pair made a trip to Los Olivos to see Neverland. This photo was the day BEFORE an announcement that there was going to be a public service there. Here we're at the gates. The day after, you couldn't get within one mile of the gates!

Thank you all, the trip was fabulous and very well needed!

Love you all,

Cliff and Lynn

July 15th - Locals Night in The Village

Karen from Chad's Place was happy to present the 1st Locals Wednesday Cruise Night, Favorite Cruiser Trophy to John and Carole Renner, for their '51 Nash!

The Beach Party at The Conklins was a huge success as always! Thanks to Shed and Ellen for providing the perfect setting to soak up a little sun, enjoy good friends and great food!
