February 2010

From Dan's Garage

Hi,

Well where did the month of January go? All I can recall is snow, snow and more snow, hope the skiers are happy, but it will be May by the time I can get back into my garage, and we thought we had a lot of the white stuff last year! We finally had our first Board Meeting of the new year at Nottingham's Restaurant, due to the fact none of the board members had any parking available. The meeting was a little unusual and different, but I feel that we got enough accomplished to get this year rolling and have some fun. It was nice to see all the participation at the meeting. After all folks, it is February already and while we have been snow bound, the clock keeps ticking for all of our events. Don't forget the Valentine's Dinner Party on the 10th at the Old Country Inn. Contact Pearl Richey or Sue Greek and make your reservations, hope to see all of you there, should be a lot of fun!

We'll be getting the Fun Run apps mailed, there will be a stuffing party at the Greeks on Feb 17th and the mailings will follow to all of those that requested them. We will see if we can break last year's record for first returned apps.

We also received a rough draft of the art work for our Fun Run shirts from Cal Roe and the idea is great, we will do more with it at the next meeting. We accomplished a little on the bus trip, and have scheduled a tentative date for the 24th of March, so everyone needs to set that date aside for a trip to the Roosevelt Car Museum, then to Santa Ana to view a private car collection. I am sure that this will be a trip that you won't want to let pass!

Chillin' On The River

BBLACC member Charlie Brewster, seen here with ex-members Don Hobbs and Paul Robb, at the Riverside Casino, representing the BBLACC. The show in Laughlin, Nevada, from January 7-9, was attended by 285 entries. It was put on by the Riverside, and called "Chillin' On The River." Meanwhile, Stan Blood and Stan O'Dell were checking out some of the classic cars in the Riverside Collection of approximately 55 cars in their museum.

Not much happening in Big Bear lately but snow, snow, snow! Here's a few pictures!

After the first storm

A few days later

Finally, a little sunshine! Where's our car?

Now, here's a couple of interesting snowmobiles! Cal Roe sent me the blue one; and, John Renner found the red Metropolitan!
