From Dan's Garage

Well, Hi everyone,

April seemed to be a very quite month, but we did get a lot accomplished for the club and future events scheduled and arranged.

From my understanding the Pinewood Derby is proceeding well, all the cars have been handed out to the respective schools and the home schooled kids have all been taken care of by Cal.

I would like to take this opportunity to thank Cal for all he has done for the club and his dedication will be missed. Due to Cal having to pack his bags in preparation for the move, Russ Greek will be assuming the Pinewood Derby duties. Russ will be making calls for those to help him with the track repair that is needed and I am sure he will also be looking for assistance to setup and run the races at the schools for the time trials to determine the finalist for our Citibank showdown.

If you have never participated in this event it is a lot of fun and excitement with the school students and between the schools to see who goes to the finals at our Citibank show.

Fun Run is still on tract with the new art work sent to our T-shirt people, all the vender spaces are sold out along with the show. We even found places to place all the new vendors without having to lose any spaces. Engine is completed and will be ready to be displayed at our Citibank Show with raffle tickets to go on sale then. Thanks to a fine group of club members, this can all be done with the high rate of success.

As for car shows and runs, the Spring Cruisin will be May 1st at Nottinghams, 3:00 till 5:30, social hour begins. We will also have a cruise down to Victor Valley College for the High Desert show. I would like to see everyone that can go meet at the Mormon church at 6:30 and leave at 6:45 to caravan down and park together. Gates open at 8:00, show & shine at 10:00. Hope to see a good turnout.

Remember to Check That Dipstick,
Dan

*** On May 14th Bill Downs and Cal Roe are planning a trip to El Mirage Dry Lake to watch the "Southern California Timing Association" speed trials.

You could see Streamliners, Lakesters, Street Roadsters, Belly Tanks, Trucks, Motorcycles, and probably a NASH!

It's dirty, it's dusty, it's noisy, it smells like racing fuel, it's nasty, and it doesn't get any better than that! If you want to go, talk to Cal or Bill.

Thank you,
Bill Downs.

If you have spare time, come to the schools with us and see all the 5th graders, racing their pinewood derby cars! Fun - Fun - Fun!

Thanks to Rick Donchi for getting this years Pinewood Derby Kits at a real bargain. The above group, John Renner, Bill Downs, Cal Roe, Owen Miller, Shed Conklin, Cliff Fowler, and Carole Renner arrived at Cal's to separate and bag each of the kits. Last week the kits were delivered to the schools, with Cal giving instructions to the students. John and Carole Renner went with Cal too!
