Keep the shiny side up

February 2013

From Rick's Garage

Well it's a new year and lots of things are going on. I hope everyone had a wonderful Holiday season. The Christmas party was a wonderful success. Everyone had a great time. The food was excellent and the entertainment provided by Colleen Justus was fantastic. As always, Mrs. Claus did her usual fine job with the gifts, thanks Lynn. A special thank you goes out to everyone who helped make this all possible.

Our next social event will be the Valentines Pot Luck at La Dolce Vita wine tasting room. Last years get together was so much fun we thought we'd do it again. It promises to be a great time for everyone, don't miss it.

The preparation for the Fun Run and Snow Play Show and Shine are well under way. Everyone is really excited about the new location. With the increased area that the Snow Play parking lot provides we have an opportunity to grow this event in the future. As always we will need volunteers for both events, so mark your calendars now. Show and Shine will be May 26 and Fun Run is August 9, 10 and 11.

Hope to see you at the Valentines Pot Luck.

Rick

Valentine's Day Party !

The Big Bear Lake Antique Car Club's Valentine's Day party will be Thursday, February 14, at 6:00 at Le Dolce Vita Tasting Room. Those of you who attended last year know what a fun evening we had. All members are invited--not just couples and not just those who like wine. Water, soda, and beer will also be available. Mary Funk will contact you before the event with information about food. Hope to see you all there for another fantastic evening!

In Memoriam

In memory of former member of the Big Bear Lake Antique car Club H.K. Wilder who passed away January 10, 2013.

He had many friends and was very proud of his trophy winning 1969 Ford Truck. He will be especially missed by the Idlers.
