Keep the shiny side up

August 2014

From Rick's Garage

Hope you all are enjoying summer. It's the time of year when the weather lets us take our cars out and attend shows or just drive them around. It also means FUN RUN is finally here. This weekend marks the 25th year for this event, and it will be the best ever! All the hard work and hours of preparation finally come together culminating in one of Southern California's premier car shows. It looks like we may well be on our way to having the most cars ever entered. Please come out and help us with this endeavor. If you didn't sign up, we can still put you to work, there's always plenty to do. We will be working from Thursday afternoon through Sunday afternoon, so come on by the Bartlett parking lot and lend a hand.

The Tour de Big Bear bicycle event was August 2nd and our aid station was a hit. Despite a little rain and cold weather everyone that was there had a great time. A big Thank You to all that participated. A special thanks to Ken and Sharon Carlson for providing hot and tasty pizza from Village Pizza for our lunch. It was delicious.

Just a reminder that there will be no regular meeting in August. Our next general meeting will be September 8th at the Discovery Center. Pot luck starts at 6:00 PM and meeting starts at 7:00 PM.

Looking forward to seeing everyone at Fun Run. It will be GREAT.

Rick

BIG BEAR LAKE ANTIQUE CAR CLUB COMING EVENTS
