Keep the shiny side up

October 2014

From Rick's Garage

The days are getting shorter and the nights are getting colder, as fall has finally arrived. The show season is winding down, but there are still a couple of good ones left to go to. The CHP open house is Saturday October 11 and The Sun City Cruisers show is Saturday October 18. If interested in attending either show please contact Bill Downs at (909) 585-9253 for info.

Our regular meeting is October 13 at the Discovery Center. Pot Luck at 6:00 with meeting following at 7:00. This meeting is important as we will present the list of recipients of donations for this years as well as present the nomination of candidates for next years officers. I urge you all to attend to discuss these items.

We will be participating in The Village Halloween festivities on Friday October 31. We will be in front of Cedar Rose gift shop passing out candy. This is always a lot of fun and if you can stop by and join us.

The next board meeting will be a Denny's on November 3 at 6:00 PM. The next regular meeting will be at the Discovery Center on November 10.

Hope to see you at some of the upcoming events. Enjoys the Fall weather and the last few car shows before the snow falls.
