Keep the shiny side up

June 2015

Rick's Garage

June has arrived, and it finally feels like spring. It was a very busy May as much was going on. We held our May meeting at Nottingham's, and it was very well received by everyone in attendance. In fact everyone had such a good time that the club voted to have all the rest of this year's meetings there. So mark your calendars...**Car club meetings will be the second Monday of the month at Nottingham's.** It is on the corner of Pine Knot and Big Bear Blvd.

May was also Pine Wood Derby Races. We held the races at all the schools, and this year we added the newest school in Big Bear, "Hope Academy". The finals were held on Sunday May 24th at the Snow Play Show and Shine. The winner of the race was Hope Academy, but the perpetual trophy went to Big Bear Elementary. They are very hard to beat as their participation level is 100%. It was very close however, with only one point separating first place Big Bear Elementary and second place Hope Academy. I think Hope Academy will give Big Bear Elementary some tough competition next year.

Show and Shine went well, as this was the first time we had to contend with the go kart track. We had plenty of room and everyone had a good time. We had about 40 cars on display and a few hundred spectators throughout the day. The food was good (thanks Kan and Sherron) the weather pleasant and everyone had a lot of fun.

I would personally like to thank everybody who helped out at the schools and Snow play. It is a lot of work and time that you all contributed and I really appreciate it. Without you wonderful people events like these would never happen.

Fun Run is fast approaching; it's less than two months away. Work assignment sign-up sheets will be distributed at the June meeting. For those who can't make the meeting the form will be mailed out to you. Please fill it out and get it back to Owen ASAP.

I hope you all have a great June, and are able to participate in some of the local car shows coming up. Look forward to seeing on June 8th at the regular club meeting. Remember it's at **Nottingham's** not the Discovery Center.

Keep those cars shined and rollin' down the road.

Rick
