APRIL 2016

Duct tape is ***THE FORCE***: It has a light side, a dark side, and it holds the universe together.

It's April already, and if your thoughts are like mine, you're ready for getting the covers off and the cars back out on the street.

Our next big event will be the Pinewood Derby and Snow Play Show and Shine taking place the Sunday before Memorial Day. Volunteers will again be needed to help at the schools for the elimination races and also help the day of the event..... we'd love to have you join in.

The Edelbrock Car Show will be in Torrance Saturday May 14<sup>th</sup>. If possible show our support and thanks for Edelbrock's participation in the FUN RUN.

Our first regular meeting is Monday April 11th... same time... same place.... 5:30PM at Nottinghams for dinner and 7:00PM meeting start. Our next Board Meeting will be at Denny's May 2nd 6:00PM. Anyone interested in attending is invited.

*Rick*

## ***MEMBERSHIP***

It will be good to see everyone at our first general meeting. Time to step into Spring after our Winter months off.

## ***THE PHANTOM OF THE LAKE IS BACK.....***

This month, the Phantom would like to welcome new member Wayne Obuszewski. Wayne owns 3 collector cars and has won a trophy at a past BBLACC Fun Run. He has a 1955 Ford Crown Victoria, a Model A Ford and a new hot rod that is under construction.

A real "hot-rodder," Wayne wrenches his own cars himself. His vehicle endeavors have temporarily been put on hold, as he is enlarging his garage space at his newly-purchased Fawnskin home. The Phantom wants to know....who doesn't need more garage space?

At our next function, please be sure to introduce yourself to Wayne O.

People ask, "Where does the Phantom live?" You will need to ask the Beatles—I live with them.

*The Phantom*
