NOVEMBER 2016

Duct tape is *THE FORCE*: It has a light side, a dark side, and it holds the universe together.

From Rick's Garage

Our annual Halloween in the Village was another great event. The décor was a notch up this year complete with lighting. The ghosts and goblins are now gone and some thoughts of Thanksgiving turkey are probably creeping in. All this paves the way for a great month... our contribution month! We have 20 selected local charities to receive the end result of all our efforts of the Fun Run.... \$ 20,500. That is a substantial amount of money that we give back to our community. Our annual donation meeting will be at Nottingham's, Monday November 14th. I ask that all members attend and meet the recipients of these contributions and learn about their programs and the results they achieve. Appetizers will be served from 5:30 to 6 followed by the donation presentations. It is a rewarding experience to see the appreciation and gratitude these recipients express. After the presentation program we'll have a short break and then have our Annual Corporate meeting. Again, I hope to see you all there.

Some members did the Route 66 Museum show and Bill won "Best of Show" that's quite a few "Bests" this year for Bill. A group also went to El Mirage for the SCTA Land Speed races.... El Mirage is where much of hot rodding and racing in general got started. If you have never been there it should be on your bucket list to do so. I understand the group saw a number of 200MPH runs with even a Volkswagen running near 200MPH !

Our next Board meeting is Monday November 7th, and the December Board Meeting will be Monday December 5th. Both meetings will be at Denny's.

Keep those cars shined and rollin' down the road!

THE PHANTOM OF THE LAKE

This month, the Phantom would like to welcome Clyde Chittenden. Clyde was a big help at the "Fun Run" last August. When a new member jumps right in to help our club, it makes the Phantom very happy.

Clyde has a 1915 Model T Ford, a 1936 Plymouth Hot Rod, a 1958 Chevy and a 1958 Buick. Right now, Clyde is in the middle of moving to Big Bear full-time. When the dust settles, Clyde is looking forward to being a fully participating club member.

SOCIAL:

The Annual Give Away Meeting is November 14th and the Annual Christmas Party location is still in the final planning stage. Joint chairpersons Lynn Fowler and Anne Lindeen are working on the details which will be forthcoming.

Over the winter months when we are “dark” as far as General Meetings go, I still plan an outing. A trip to Petersen Automotive Museum or Day Family Classic Cars Museum is under research. With the coming holidays we’ll look to do that in early 2017.

Thanks... *Ron Tholen (714) 501-9537*
