JUNE 2017

Wake up And DRIVE!!!!

From Sam's Shop

Good day and good will to our membership. June is upon us and the weather couldn't be any better for our antique car lifestyle. Ben says it's spring but my thermometers indicate we are in the middle of summer.

The Memorial Day Show' n Shine & Pinewood Derby has passed and it was a great success. I would like to thank all of the members for their help on the race days at the schools as well as all of the help we had at the show. For the first time in the history of the event one school dominated the racing and had 100% participation from the students. Baldwin Lane Elementary won every place 1st through 4th, and took home that great perpetual trophy. If you know students, parents, or teachers from any of the schools please thank them for their participation. Congratulations also go to Ken Carlson won the adult class and received the lounge chair racer trophy this year. Due to the great work of the registration crew we kicked off the engine raffle ticket sales with almost 100 tickets already sold. There were six people's choice trophies awarded with our club members taking home the majority. The Big Bear Speedway graciously gave away a free race to all car show participants, which included the kart license and about 7 laps with the low e.t. getting a prize.

We are just over two months away from the Fun Run, sounds like it's far away but it will quickly be upon us. Think about what you would be interested in volunteering to help with, such as: engine raffle sales, the info desk (which also sells hats, mugs, pins, and water), parking place numbering, or judging just to name a few. We have about 25 spaces for member cars so be sure to sign up when the list comes around.

There will be a general meeting on the 12th at Nottingham's with a 50/50 drawing and variety of raffle prizes.

Get up and drive...

Sam

FROM OUR TREASURER

I have a club coat, large, to be given to a member that wants one.

Also.... Please attend the next club meeting as I will be passing out the signup list for FUN RUN. We need a lot of people to make it successful.

SOCIAL:

Don't forget our general meeting on Monday June 12th upstairs at Nottinghams. Social and dinner starts at 5:30 with the meeting starting at 7:00.

Also, at this meeting we will have several dates to choose for an outing to the Day Classic Car Museum in Corona. Bring your calendar to the meeting to see what works best for you. The second floor renovation of this "by invitation only" museum is done and ready for visitors.

Lynn Fowler

THE PHANTOM OF THE LAKE

This month, the Phantom would like to welcome new member Charles Thompson. Charles is a dedicated BBLACC member: he lives all the way in Lake Arrowhead, yet has not missed a meeting, event, or volunteering opportunity since he joined! He was very interested in our Pinewood Derby events and has helped stuff the pine cars at Village Pizza, as well as volunteered at each of the elementary schools-- weighing the cars, putting on the graphite, taking pictures for Classic Lines, as well as enjoying the races.

Charles owns a Pontiac Tempest convertible (named "MOLLY"), which he has restored to a high standard (the white upholstery is amazing!). John DeLorean convinced GM to cut 4 cylinders off the 389 cubic inch V-8 to make a slant 4. It is interesting to see this car and hear about its history! Please join the Phantom in welcoming Charles Thompson to our club.
