SEPTEMBER 2017

Wake up ..... And DRIVE!!!!

## From Sam's Shop .....

The big show is over. Blood was shed, a trophy was broken but we succeeded and put on another great show. I would like to thank all of our stellar volunteers for their poise and dedication to put on such a large event. I hope everyone had fun at the barbecue. There will be a general meeting at Nottingham's on 9/11 and the next volunteer event to consider will be the Halloween candy giveaway in the village on 10/31. Due to the Labor Day holiday the Board meeting will NOT be on 9/4. We will have a board meeting at Denny's on 9/5 @ 6pm. Get up and drive...

## ***SOCIAL:***

Thank you so much to everyone who came to the Fun Run thank you BBQ Sunday Aug 27. We all had a fantastic time with great friends, great conversations and really good food and margaritas! Thank you Karl for your amazing BBQ skills and to everyone who set it up, tore it down and delivered everything back to its right spot.

## ***THE PHANTOM OF THE LAKE .....***

The Phantom of the Lake Is Back!

The Phantom would like to welcome Joe and Nancy Siska to our club. Nancy had been in the hospital for a month, and the Phantom is very happy to say that she's now home and recovering. The Siska's were spotted at the Running Springs Car Show in July where they entered their 1968 Mustang. They do enjoy going to car shows, and the Phantom is happy to see Nancy out and about. Their beautiful Mustang has been shown at the Knott's Berry Farm Fabulous Fords Forever Car Show-- along with 1,800 other Fords. The Siska's also own a Cougar, but don't really show it yet, as parts are a challenge to find. Please welcome Joe and Nancy Siska to our Club!--- *The Phantom*

## **SEPTEMBER Newsletter Monthly Saying / Tidbit:**

**Call us butter cause we on a roll**

Well last month you got a bonus tidbit about Robert Height going 339.87 MPH at Sonoma Raceway and setting the NHRA national speed record. This month, August 19<sup>th</sup>, at Brainerd, MN, he set the ET record at 3.793 seconds... and what was also amazing on that run is that they say he was going 294MPH at the 660 foot mark..... Thanks for indulging me with providing info on him... I lived near Robert Height and almost 10 years ago went on a cruise with Robert and crew chief Jimmy Prock... I have followed them for a number of years.
