NOVEMBER 2018

**Wake up ..... And DRIVE!!!!**

## **From Sam's Shop .....**

Hello All,

November will be the last and best general meeting for 2018. We will be giving away the proceeds from this year to the various nonprofit entities we all support. The Christmas party in December will be the last official conflagration of our club for the year, so I hope to see you all at Nottingham's for that event. The Club still needs to fill a few committee/Board vacancies filled; Raffle Chair, Classic Lines Editor, Sunshine, and Vice President. I hope that the giveaway can inspire some of our members to take a more integral role in the non-profit we all enjoy supporting. Thank you for what you do for the valley and the Big Bear Lake Antique Car Club. The Board meeting will be on 11/5 at Denny's at 6pm. I would like everyone to remember our mountains aren't funny they are hill areas!

## ***SOCIAL:***

Hi everyone, our annual charity giveaway is Monday Nov 12. We will have heavy appetizers like we did last year. Food will be ready at 5:30 and the giveaway will start at 6:00 upstairs at Nottinghams. Our regular meeting will begin after, or about 7:00. If you have nominated an organization please inform them of the time and date. They need to be present to receive the contribution. See you then!

## ***THE PHANTOM OF THE LAKE .....***

The Phantom wants you to know that WINTER is coming! It's time to add Sta-Bil fuel stabilizer to all gasoline engines. Also, now is the time to check your snow blower (belts, etc)-- better now than in 25 degrees in a snowstorm, right? Also, the Phantom recommends you add Sta-Bil to generator gas tanks, both in the garage and trailer, as well as in your motor home. While the newer motor homes are fuel-injected, generators still have float bowls. If all your gas engines have Sta-Bil in them now, they will start more easily next season.

## **FROM THE WAGON MASTERS -- Mike Biggy and Bill Downs**

The Wagon Masters will let you all know which upcoming car shows we are attending as a group. Mike is this month's Wagon Master. Many BBLACC members will be heading to Stateline November 10 for the annual "Freaks of Nature" car show at Buffalo Bill's Casino Resort (behind the roller coaster). We are all staying at Primm Valley Casino Resort (next door to Buffalo Bill's). For reservations, call 800-386-7867. We want all BBLACC members to know that you ***don't have to own a collector car OR bring your collector car to a car show***-- just go, join your fellow members, hang out with us and have a good time! "Freaks of Nature" is one of those cool car shows where you can also hit the outlet malls next door, or hit the slot machines. Ask Judy Biggy how to get 4 nights free for the future! The Fowler's, Biggy's and Downs' are all registered for this car show, in addition to 3 other couples who are going, sans cars, just for the fun. Join us!

## **SUNSHINE:**

Nothing going on with Sunshine. I guess that's good. Everyone healthy.

On another note: all cards for November, and December are done, including envelopes and stamps. Listings and addresses up to date. Piece of cake for next lucky Sunshine Person.

It's an event close by – the iconic Auto Club Raceway - Pomona Drag Strip. Gates open at 8AM. Should be a great event!

## **PHOTOS:**

This last month a number of club members have been running the show circuit attending both the 8<sup>th</sup> Annual Sun City Cruisers Car Show in Apple Valley and the Haunt & Glow Car Show in Laughlin. Terry and Creta DeVault Ford and Alan & Sande Belanger won 1<sup>st</sup> place awards at Laughlin and Mike & Judy Biggy won a Judges Award at Apple Valley and a 3<sup>rd</sup> at Laughlin. Great showing from our club cars indeed !

**The Annual Halloween In The Village was again a big hit. We had our usual grave markers and Coffin Car there and well known celebrity Snoop Dawg ... ha... well he was snoopin' around for candy.... The Dawg....**

## WHO KNEW ?

### BUYING THE FARM

During WW1 soldiers were given life insurance policies worth \$5,000. This was about the price of an average farm so if you died you "bought the farm" for your survivors.

### BARGE IN

Heavy freight was moved along the Mississippi in large barges pushed by steamboats. These were hard to control and would sometimes swing into piers or other boats. People would say they "barged in".

## NOVEMBER Newsletter Monthly Sayings / Tidbit:

- Racing is a constant search for the weakest link.
- Flat out 'til you see God, then brake
- After the third flip, I lost control - Don Roberts after Jade Grenade crash at New England Dragway 1975
- Racing.... because golf, football, basketball, and baseball only require one ball

## DECEMBER Classic Line submission deadline:

Members wishing to have articles / news / photos published in the monthly Classic Lines please submit by Sunday November 25th, to [rctholen@gmail.com](mailto:rctholen@gmail.com)

**VICE PRESIDENT / EDITORS /NOTE:** Over the last three years, I've enjoyed being Classic Lines Newsletter Editor as well as various other positions in our club. It's time however, for me to now focus on other areas of our club. I'm hoping that CLASSIC LINES will continue each month via a new face taking over this position as I did when I joined the club. If each member steps up to handle just one area then not only does the task gets handled in grand fashion but the satisfaction of sharing, and being a part of the effort is personally rewarding. If you're a new member, or a member that hasn't been on the Board for a while, please consider taking this or one of our other open Board positions.
