SEPTEMBER 2018

Wake up And DRIVE!!!!

From Sam's Shop

Hello club members and prospective members. The bulk of work for our 2018 car season is complete. FUN RUN 2018 was a resounding success. The BBLACC sold a record number of engine tickets and this year a local business owner won the engine; stop by The Chrome Stop on red ant hill to congratulate Chris on his luck. There were a couple of hiccups throughout the show and the lake cruise but the overall response by participants and attendees was "how do you put on such a great event". I want to thank EVERYONE for creating one of Big Bear's premiere events. If there is some aspect of the event you would like improved we will discuss it in the upcoming meeting, so bring your notes. The post FUN RUN barbecue was a blast. Amazing tri-tip and chicken by Karl, delicious sides by a variety of members topped off by the best ice cream I've had by Ken and Sherron. I think there might have been a margarita or two consumed as well. Next up on the schedule is our amazing giveaway. If there is a local non-profit that would like some monetary assistance, make sure they send a request for funds to PO Box 6311 Big Bear Lake, CA 92315 and a description of the non-profit.
